Dear Students,

We would like to inform you that in regard to the Order RD-01-626/27.10.2020 of the Minister of health for suspension of the educational process in higher education institutions and with Order №3-RK-15 of the Rector of the NBU Prof. Plamen Doynov, D. Sc, from 29th of October 2020 to 12th of November 2020, New Bulgarian University will pass into online form of learning, as follows:

For all lectures that electronic mode is possible, the classes will be performed online. The online lectures will be held at the same day and time according to the schedule and will be broadcasted through BigBlueButton (Virtual classroom in Moodle NBU) or another platform chosen by the lecturer (ZOOM, Microsoft Times, as a connection through a Moodle is mandatory established).

Practical courses for which E-learning is not possible are suspended until 12th of November 2020. You will receive additional information from the departments, if you attend such lectures.

Communication between us is more important than ever. That's why, as of today, we are opening a feedback channel where you can directly give your comments and recommendations in connection with the learning process.

You can give your feedback here: <https://forms.gle/Kjhau9Mqe9TWXfQRA>.

Yours Sincerely,

Ch. Assistant Professor Vladimir Dimitrov, PhD

Vice-Rector for Academic Affairs
